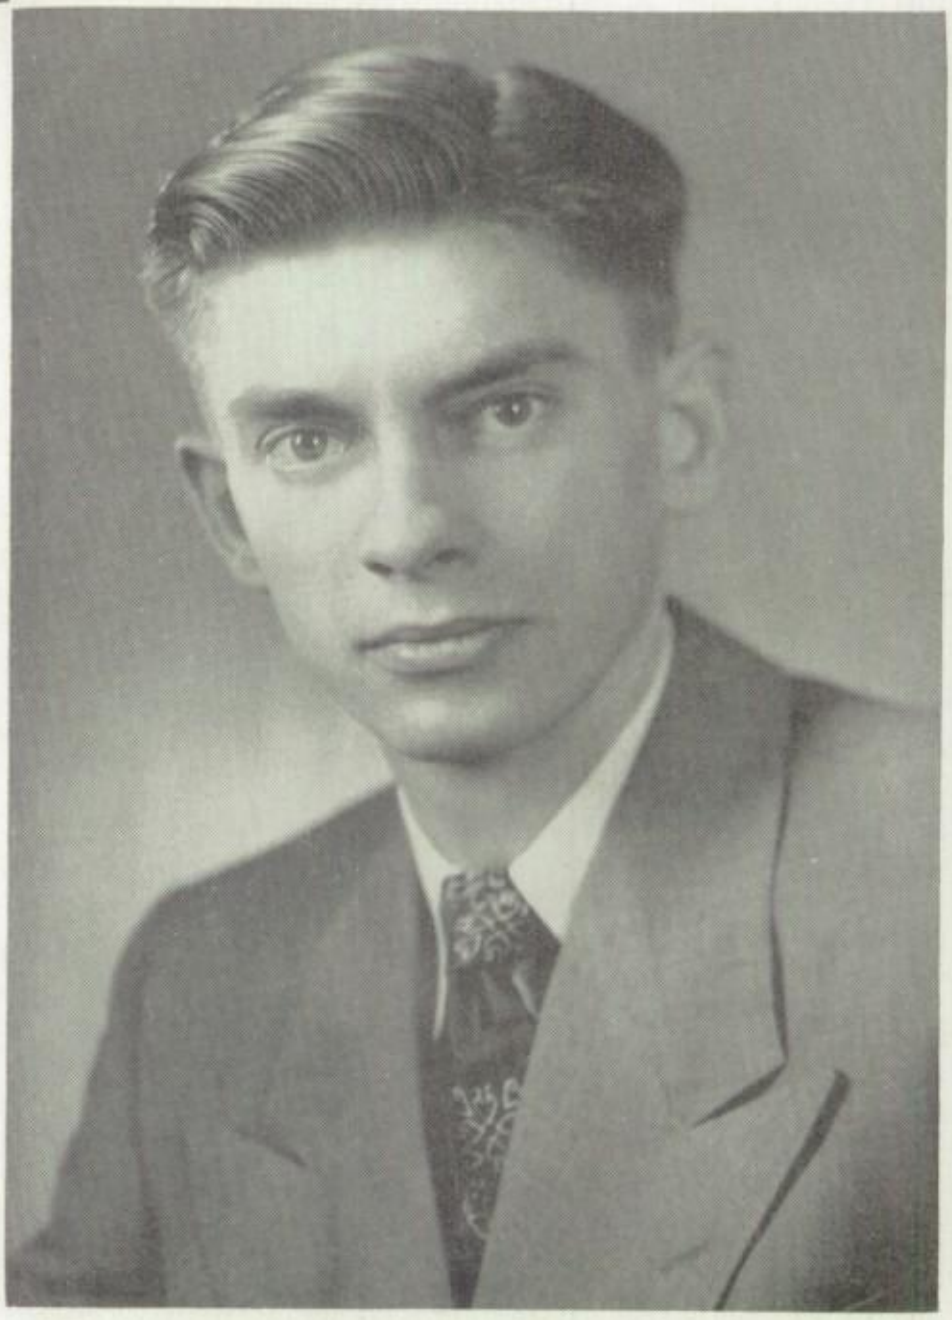
Farewell...

We bid farewell to Miss Josephine De Vries who is going to enter the very honorable profession of housekeeping.

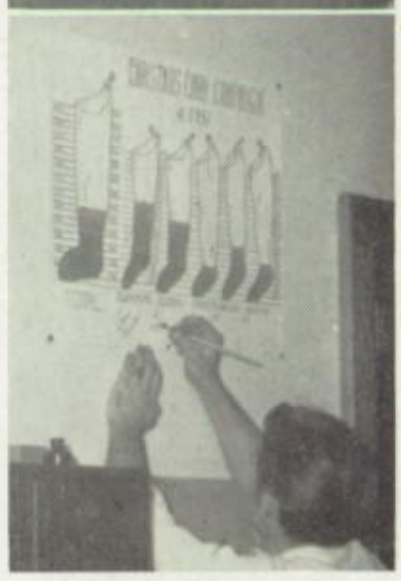
In her two years at H.C.H.S. Miss De Vries has taught Freshman and Sophomore English. Although none of the seniors have been in any of her classes we have come to think very highly of her from her presiding over the study halls and meeting her in the halls.

We wish her God's blessings on her future.



We, as the Senior Class and student body of Holland Christian High School, want to take this opportunity to bid farewell to Mr. Wayne K. Dornbush. During his stay at Holland Christian, he has taught general business, bookkeeping, and business mathematics and was the able sponsor of the Class of '54.

We regret his departure but as he has left the teaching profession to enter business, we wish him God's richest blessing in his new vocation.



Foreword

The purpose of our Christian High School is to give the students a Christian education. This education is presented to the students from a Christian point of view and made clear through the light of the Word of God. It is a school in which the students are taught to love their fellowmen, to love their country, and to love and honor God. Our Christian High School teaches that education must be used to the glory of God and to teach the student to walk to please God.

Now, as we leave the familiar halls of Holland Christian High and bid farewell to our Alma Mater, we realize that we are leaving behind us footprints in the sands of time. Looking to the future we see the darkness of uncertainty and we begin to realize the importance of a Christian education. We feel the need of protection; for an armor which will shield us from uncertainty: therefore let us cast off this darkness and "let us put on the armor of light" leaving behind us footprints in the paths of righteousness.

As we, the class of "52" move on and strive for higher goals, we leave behind us this record of the year 1952, "our year" at Holland Christian High School. We the staff have worked hard and diligently to present to you our impression of H. C. H. S. school life. Yet we worked willingly because we felt we were accomplishing something that would last. We therefore hope that in the future years this 1952 Footprints will serve to remind us of the happy days spent at Christian High.

Appreciation

Mr. Holwerda's smile is contagious. Although our principal's duties are numerous, some pleasant and others painful, he usually has a broad smile. This carries over to the staff and student body.

What would our office be without the kind and considerate services of Mrs. Lucille Beelen? We are happy that the school may still enjoy her services now that she is Mrs. instead of Miss.

A school cannot operate without money, though we students may often forget this. We are fortunate in having a zealous and dynamic financial agent in Mr. William Pott.

To be custodian in as neat a city as Holland is no small job. However, our custodians Mr. John Westerhof and Mr. William Dykstra keep our building and campus spotless as a dutch kitchen.

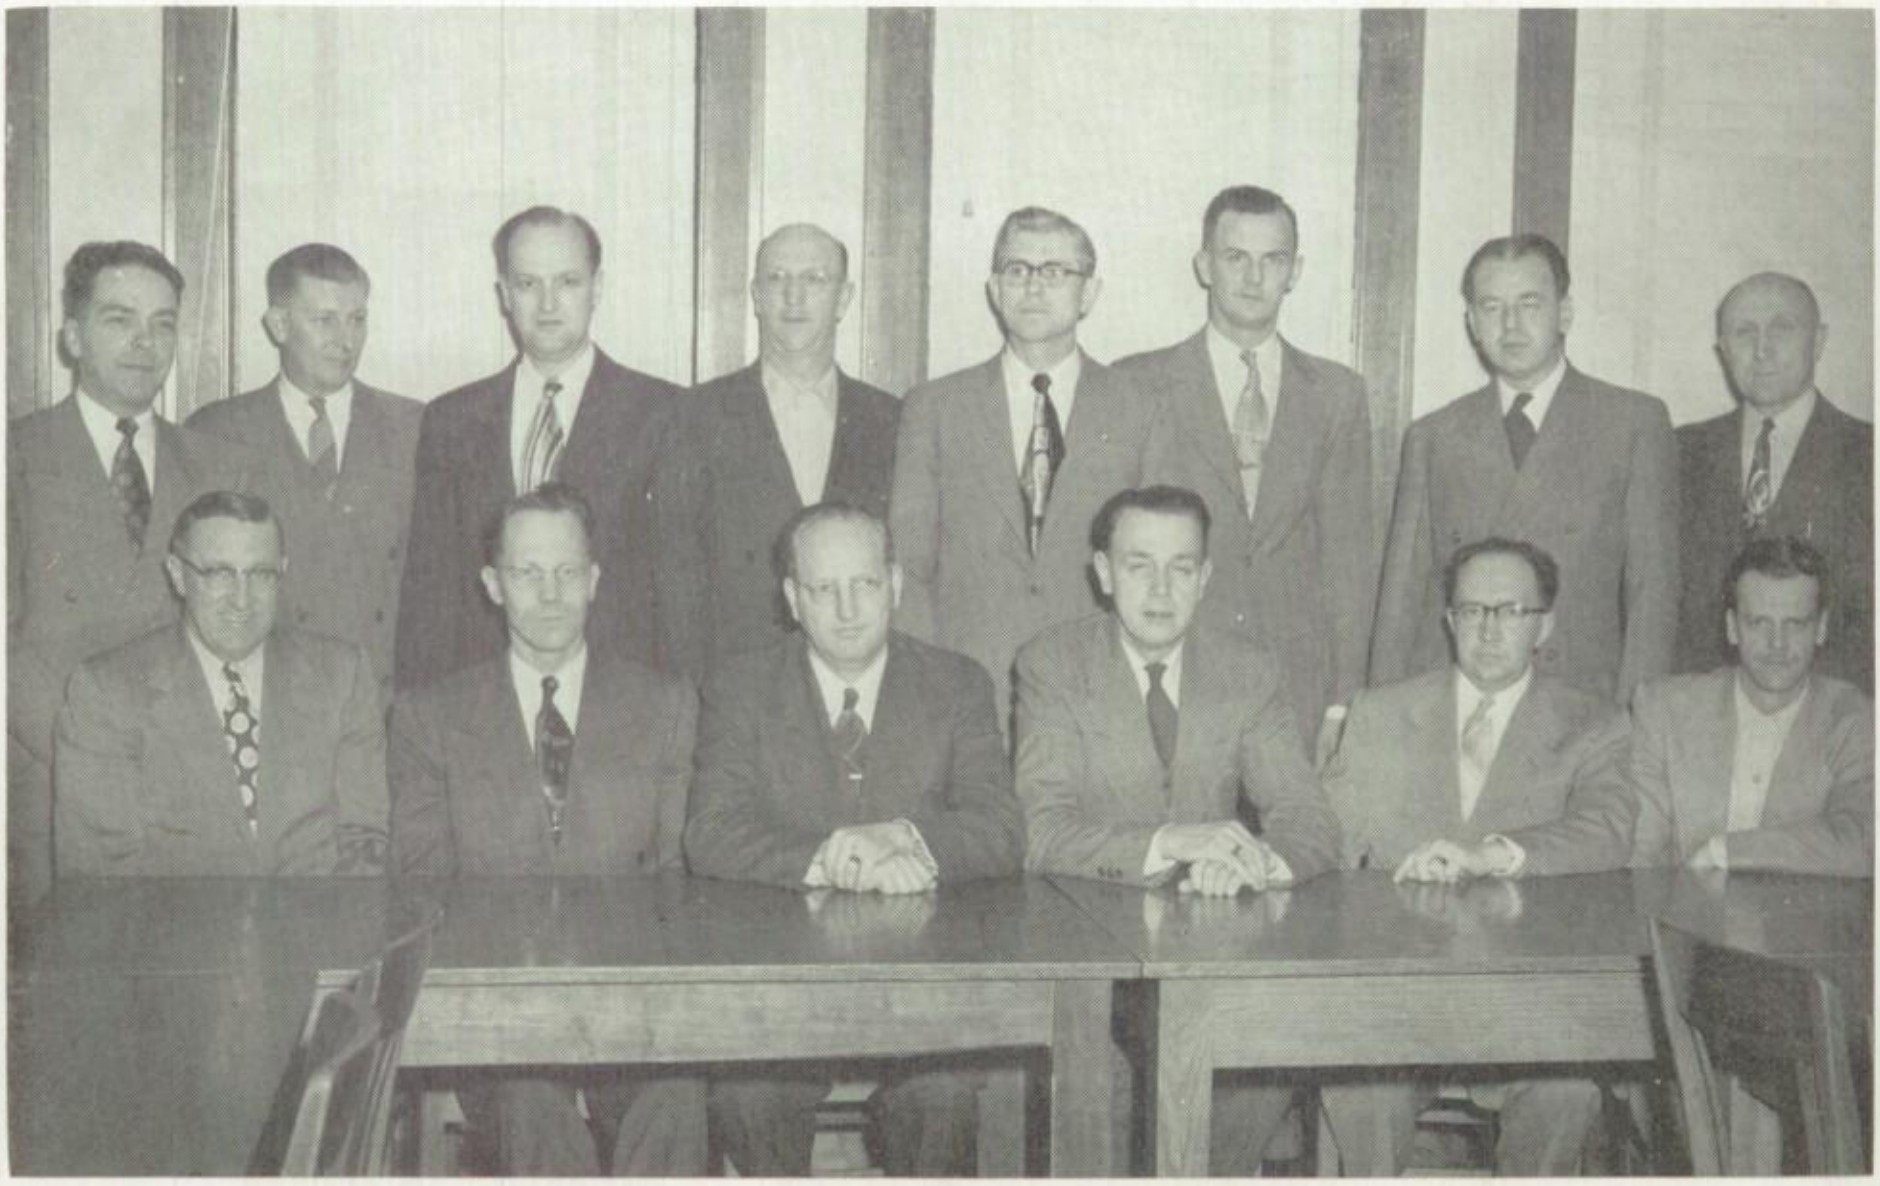
ADMINISTRATION



THE SCHOOL BOARD

Standing: G. Boven, G. Joldersma, G. Otte, R. Bouwman, B. Altena, D. Blaauw, J. Veltkamp, R. Boeve.

Seated: R. Plaggemars; P. De Jong, vice president; O. Breen, president; T. Hoeksema, secretary; C. J. Westenbroek, treasurer; G. J. Van Wyke, absent, P. Baker.

To the Class of 1952:

The Board of Trustees of the Christian Schools of Holland offers you heartiest congratulations upon your successful completion of the course of study in Holland Christian High. Four years, you as students have worked together. Soon your ways will part in many directions. Where will they lead?

Quite naturally, we're interested. Your parents have given sacrificially for your education, your instructors have imparted Christian knowledge with devotion of mind and heart, your Board members have spent many hours in planning how we might give you the very best in education. Now we all look and pray for rich dividends.

Four years in our High School have wrought changes. There has been mental, physical, social, and spiritual development. You are now ready to continue your studies or to take up the vocation of your choice. Wherever your path may lead in God's providence, we sincerely hope that every young man and young woman will with the endowments given by God bring glory to Him and honor to the institution that has the love of our hearts.

Rev. Oliver Breen, President,
Board of Trustees.

To the Graduates of 1952:

Cordial congratulations upon your graduation. Although you have reached your immediate goal, new spheres of endeavor lie ahead for you, the Lord willing.

Today, you are standing on the threshold of a world that is restless with fear and turmoil. You will need unfaltering courage and faith. We are told that the center verse in the Bible is the eighth verse of Psalm 118 in which we read, "It is better to trust in the Lord than to put confidence in man."

What a wonderful message this verse contains! May these words of the Psalmist be your personal testimony. May you have complete confidence and trust in God through Jesus Christ our Lord as you proceed along life's way.

Strive from day to day to give evidence of this conviction. Your actions, your words, your deeds, your consecrated lives must speak of the Savior you profess.

God bless you one and all.

Sincerely yours,
Bert P. Bos

STUDENT COUNCIL

This year student council was again under the capable sponsorship of Mr. H. J. Kuiper.

Student Council was organized four years ago for the purpose of maintaining Christian discipline, promote student participation in school activities, and create more co-operation between students and administration.

The council was responsible for all-school skating parties, assemblies, checkroom at basketball games, bus transportation to outside games, student chapel once a week, and Turnabout Time.

In the spring of each year four officers are elected from the student body. In the fall each homeroom elects its own senator. Each month we try to have one meeting during school hours, one night meeting, and an executive meeting. Here we discuss suggestions brought up by the students and problems and important issues which arise concerning the entire student body.

Through the Student Council valuable training in assuming responsibilities of our democracy is received by the students.

Officers for this 1951-1952 school year are:

President — Roger Boer
Vice-president — Jim Kok
Secretary — Myra Brieve

ACTIVITIES

CONCERT BAND

The concert band composed of 65 members has completed its second year under the skillful direction of Mr. Henry Vander Linde.

The Band has elected as its officers: Wilber Haak, President; Mary Jane De Weerd, Secretary-Treasurer; Shirley Bouwman, Library Chairman; Paul Koop, Student Director; and Martin Dykstra, Manager.

Some of the Band's appearances this year were: P.T.A. meetings, Thanksgiving and Christmas chapel exercises, a fall Concert December 6, and All Band Concert March 27. Others were Tulip Time and Memorial Day Marching events, The Grand Rapids Christian game in Grand Rapids and the District Band Festival in Muskegon.

CADET BAND

This fall the Cadet Band, consisting of about forty-five members, began another successful season under the direction of Mr. Vander Linde. Full band meets three times a week, and we have sectionals the other two days.

We had two fine band concerts, on December 6 and another in the spring. The Cadet Band also took part in Tulip Time activities.

The band officers are: Calvin Weener, president; Herschel Kuiper, band manager; Mary Lee Karsten, librarian; and Miriam Boven, secretary.

GLEE CLUB

A girls glee club was the added attraction to the music field at Holland Christian this year. The organization is under the direction of Mr. Baas and is made up of girls from the Senior Chorus.

The Glee club entered into many interesting fields. They sang for chapel exercises, over the air, W.H.T.C.; and climaxed the year by entering the spring choir festival.

CHOIR

This year the a capella choir has eighty members. Under the very capable direction of Mr. M. Baas, the choir has completed another successful year.

The choir made its first rendition of the year at Hope Chapel when they provided musical numbers for the celebration of the 50th anniversary of the founding of the Holland Christian Schools.

Soon after the choir was organized in September, we began practising for our annual rendition of the "Messiah." Our practices was fully rewarded when, on December 11, 1951, the choir presented the thrilling story of the "Messiah" before a capacity audience in the gym.

The second semester the choir began planning for its Spring activities. On May 2, the choir traveled to Grand Rapids to take part in the Calvin Festival.

Choir officers are: President, Martin Dykstra; Vice President, Cornelius Witt; Secretary-Treasurer, Althea Vanden Heuvel; Librarians, Eleanor Hoogland, Jack Borr; Stage Managers, Paul Vander Leek, Howard Vos.

SEWING CLUB

The junior girls met regularly to receive instruction in sewing. Many of them made skirts or blouses. The experience the girls gained will be very valuable to them in later life.

GIRLS CHOIR

The Girls choir composed mainly of freshman girls sang at several chapel exercises and other assemblies. The choir was again under the very capable direction of Mr. Baas.

DEBATE CLUB

Under the capable leadership of Mr. H. Bratt, a debate club was again organized at Holland Christian. The topic debated on this year was "Resolved, that all American Citizens be subject to conscription for essential service in time of war." Eight debates were held with schools of the surrounding area. An overall record of four wins and four defeats was established. Everyone enjoyed the season very much.

FORENSICS

This year we had a very fine group of students win the right to represent H.C.H.S. in the state forensic contests. The competition in the local contest, the district, and regional was very stiff and our group proved their worth by doing very well in all three contests.

ECHO STAFF

This past year, the Echo has been very successful. Many new features were added to the paper catching the eye of the students.

The last issue of the Echo has again been dedicated to the Seniors which the Echo staff is sure the Seniors will long remember.

Again the Echo staff has succeeded in trying to edit a paper comparing with other large high schools. The Echo is rated as one of the very best!

They sold a total of $4,662 worth of cards allowing a net profit of $2,128. The campaign was officially closed with a banquet which everyone enjoyed.

The president of the club is Tony Diekema; Vice President, Lawrence Stegink; secretary, Cornelius Witt; Treasurer, Norma Palmbos.

SENIOR GIRLS' SOCIAL CLUB

The Senior Girls' Social Club under the capable leadership of Miss Vander Gugten met once every two weeks during noon hour. The purpose of the club is to promote a better understanding and friendship among the girls.

At the meetings the girls saw interesting films or had discussions.

Officers of the club are: President, Althea Vanden Heuvel; Secretary, Della Koeman; Treasurer, Rose Geerlings; Assistant Secretary-Treasurer, Arloa Boerigter.

JUNIOR GIRLS' SOCIAL CLUB

Meetings are held every other week at noon under the leadership of our sponsor, Miss Van Dyke. Different girls take part each meeting in showing proper forms of etiquette. A tea in honor of the Senior girls was held this spring.

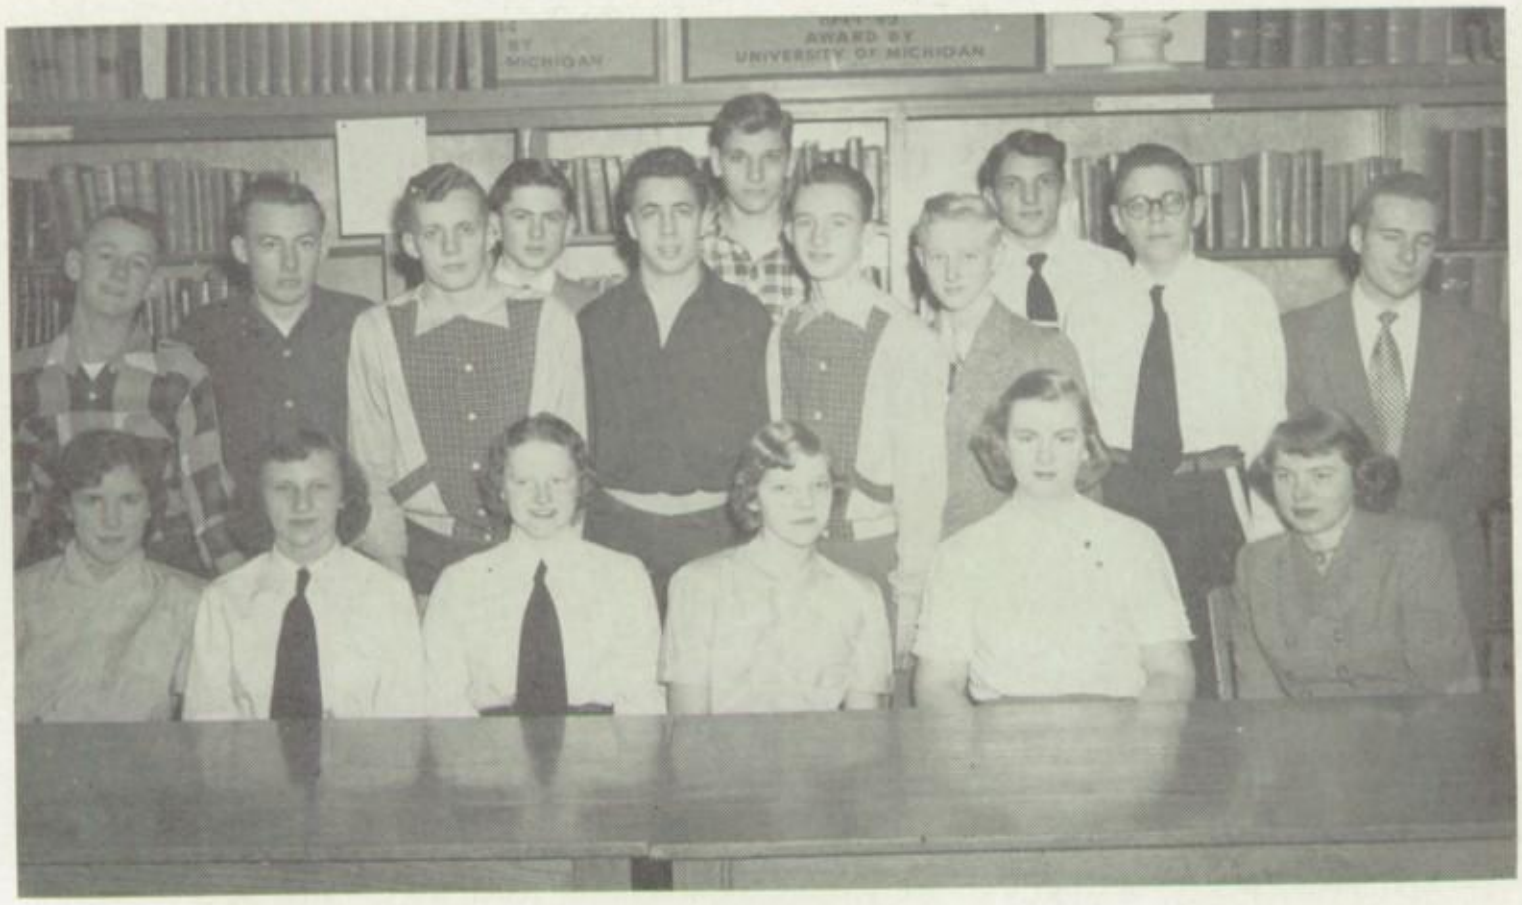
Officers are: President—Ruth Wolters; Vice President—Trudy Dykema; Secretary—Mary Kool; Treasurer—Carol Lambers.

PHOTOGRAPHY CLUB

An interesting time was spent by this group of seniors with their sponsor, Mr. J. De Vries. Many pictures were taken of school activities and developed and enlarged. During the week of March 3-7 a number of prize-winning enlargements were displayed in the main assembly. There also was a contest in which the pictures were classified into four groups with prizes for the winners in each group. This was open to all high school students.

PHYSICS CLUB

Under the leadership of Mr. De Vries eleven senior boys formed a very interesting Physics Club. Many enjoyable evenings were spent together in which their chief subject was Photography. The first part of the year the boys did the work of a Photography Club which was formed later. A trip was taken to Chicago where they visited the Museum of Science and Industry.



CHEMISTRY CLUB

The Chemistry Club was organized this year with fifteen members.

Experiments of scientific interest and moving pictures have made the meetings interesting.

The club is under the capable sponsorship of Mr. Elve.

The officers of the club are: President—Ronald Bulthuis; Vice President—Richard Klamer; Secretary-Treasurer—Adele Vermaat; Reporter—Patricia Nonhof.

BIOLOGY CLUB

The Biology club has forty-two members from the various biology classes. It is under the sponsorship of our Biology teacher, Mr. Ham. They meet monthly and discuss subjects of Biological interest.

The club has taken up several projects which include: experimentation with white rats and incubation of eggs. Moving pictures of scientific interest are shown at each meeting.

To climax the year the club took a very nice trip to Chicago.

The officers of the club are: President—David Vander Ploeg; Vice President—Richard Sharda; Secretary-Treasurer—Lois Kok.

MISSION CLUB

The Mission Club was sponsored by Miss Veltman again this year. We have approximately forty members this year.

Our president is Della Koeman; vice president, Thelma Aukeman; secretary, Elaine De Weerd; treasurer, Josephine De Haan.

One of the year's projects was to sponsor a special number once a month at a mission station.

ART CLUB

The twenty-six members of the Art Club assembled regularly to do work in art. The club again was under the capable sponsorship of Miss Veltman.

The officers were: Joyce Lanning, president; Jackie Ortman, secretary; Betty Visser, treasurer.

CHESS CLUB

The Chess Club this year is under the capable direction of Mr. De Vries. There are about 40 members, including a few girls, who also show a liking for chess. Tournament games were played during the second semester.

The officers are: President—Gerald Garvelink; Vice President-Secretary—Myra Koeman; Treasurer—June Timmer.

FUTURE NURSES CLUB

This group of girls who intend to take up nursing as a career met every month. At each meeting they had a guest speaker who talked to them on some branch of nursing. The junior and senior members of the club enrolled in a Red Cross Home Nursing Course as a project.

ATHLETICS

VARSITY BASKETBALL

The Varsity basketball squad has finished a very successful season with a record of 12 wins and 9 defeats. After a slow, inconsistent start the highly spirited boys suddenly became a powerful aggression capable of causing trouble for almost any team. With the beginning of the state tournament, our team was at its peak. The team won the district championship by winning over a strong North Muskegon quintet and then went on to defeat Zeeland 44-24 in the district final. With their goal set at Lansing, the Holland Christian squad opened regional play at Kalamazoo with a 41-39 victory over a favored Three Rivers team. It was in the regional final that our boys met their "Waterloo" in a defeat by the hands of a powerful Niles team 54-36.

Other highlights in the basketball season were: A long-awaited win over St. Joseph's state championship team which had won 24 straight games. A two-point overtime decision over Muskegon Christian in the season opener. Two wins over a strong Grand Haven team. A heart-breaking loss to Grand Rapids Christian in the Civic Auditorium 33-32.

Much of the credit for our successful team must go to our able coach, Mr. Art Tuls, who worked untiringly with his boys. Congratulations, Mr. Tuls!

RESERVES

The "little maroons" have certainly finished a successful season. Under the able coaching of Mr. Ham they have soared to unlimited heights. We have seen the talents of several freshmen and sohpomores displayed. These talents should, in a few years, make up a strong varsity squad. Our "reserves" have established the best record at H.C.H.S. for many years. Many "CONGRATULATIONS" to Mr. Ham and his boys.

CHEERLEADERS

Three organizations which often receive too little credit for their unending work are the Cheerleaders, Pep Band, and Athletic Sisters.

To the cheerleaders we extend hearty thanks and congratulations for the great job they have done in arousing spirit at our games. They have proved a great help to the team and school spirit.

PEP BAND

To the Pep Band we give hearty thanks for its great job of providing spirited music at our games and pep meetings. They remained faithful to the team and followed them as far as they went. Without this group the games and pep meetings would not have been as successful.

Congratulations must surely go to this organization and to its capable director, Mr. Vande Linde.

ATHLETIC SISTERS

To the Athletic Sisters must also go both thanks and congratulations. Without the smiling faces of these cheerful girls the intermissions would not have been the same. We have all enjoyed the things they sold and the cheer which went with them. To these girls and their director, Mr. Schans, we extend our thanks.

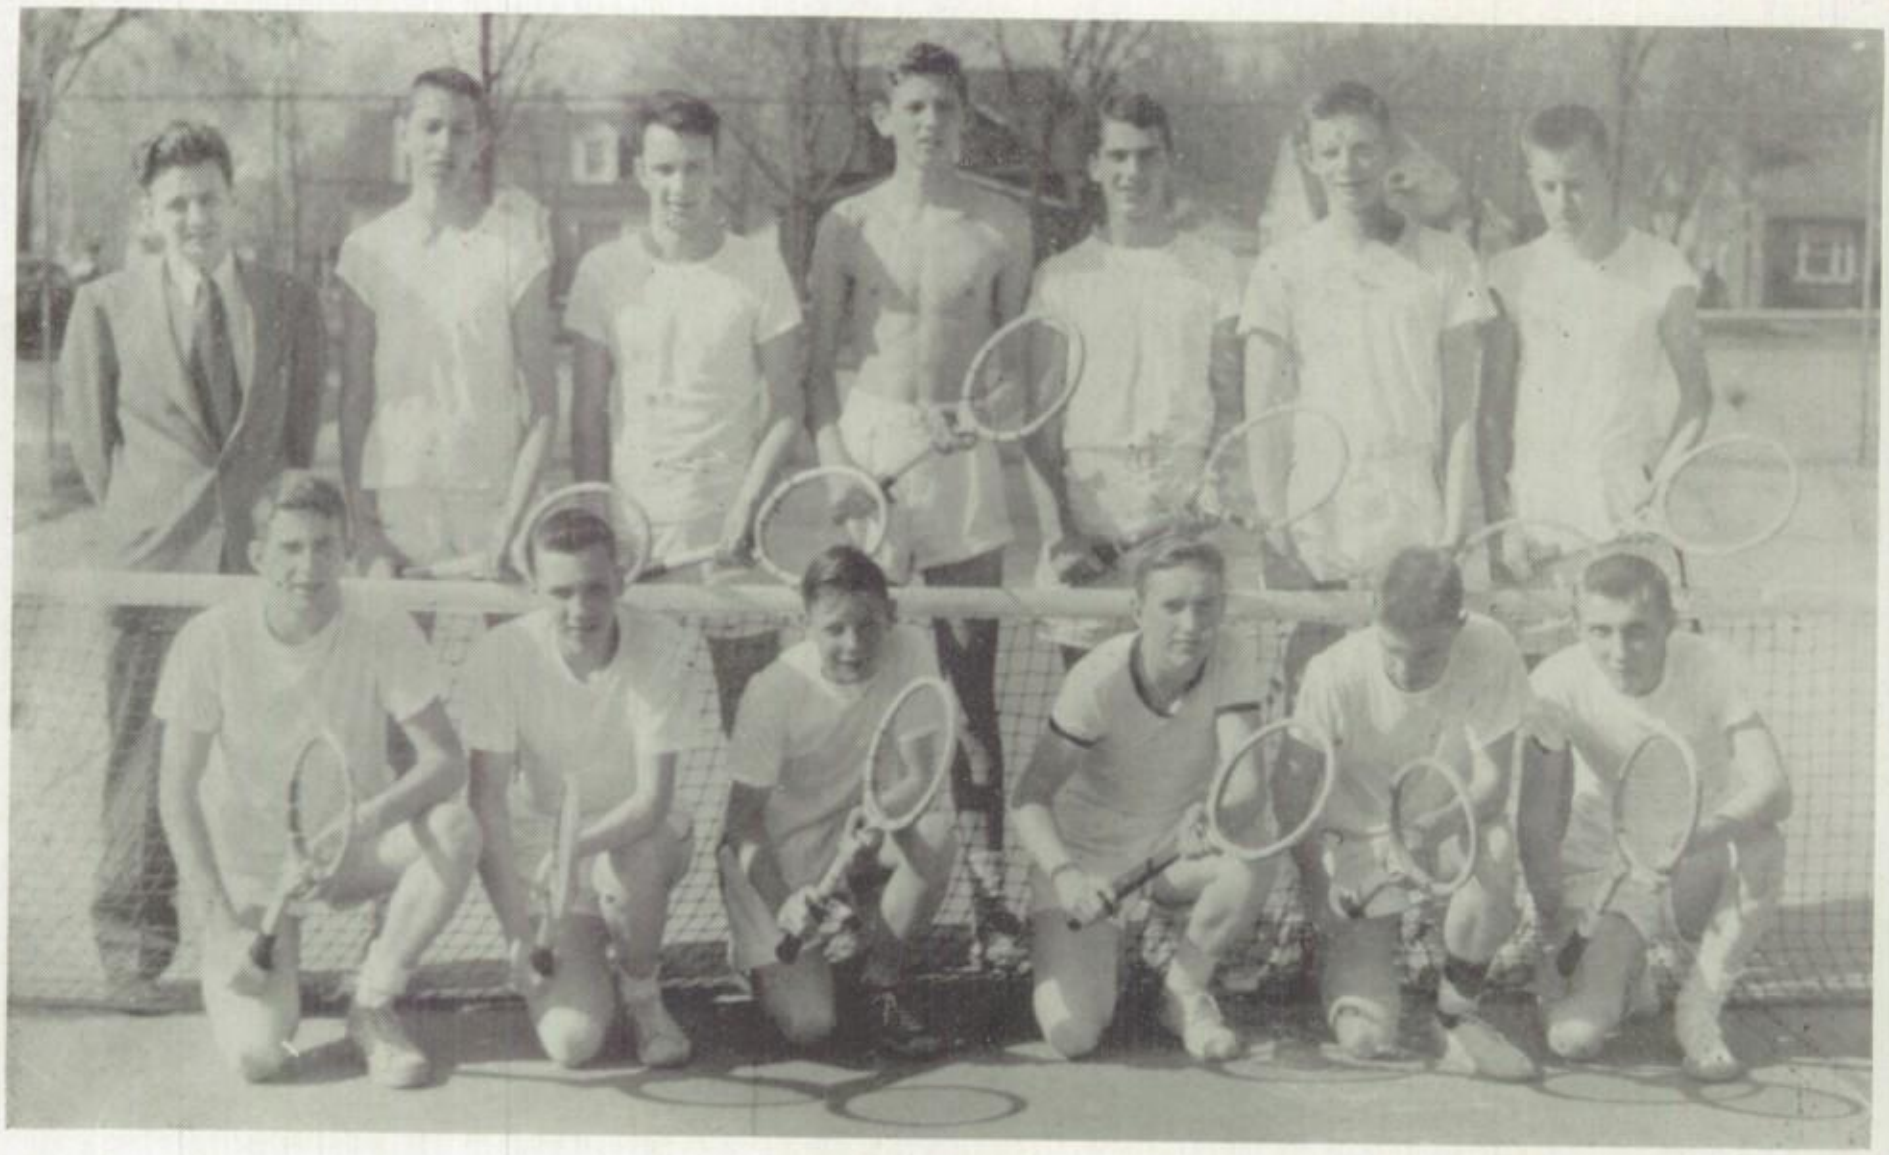
GOLF

This usually unheralded sport is under the leadership of Mr. Holwerda. He has formed a group of capable boys and a schedule has been arranged. This team is also expected to be successful as it has been in the past. Absent—Jack Borr.

BASEBALL

Under the able direction of Mr. Ham our baseball team is again being formed. Mr. Ham is building an inexperienced team around several veterans back from last year's squad. Up to date, our team has a rugged schedule of 10 games, several with strong class "A" schools. Reports from the baseball training camp have been favorable and a successful season should be had.



TENNIS

Our tennis team this year is being built around a group of veteran players. Much new talent has also been found and a very successful season should be had. Mr. C. Pott is taking over the coaching duties and has already formed a strong 14-match schedule. Judging from the spirit and abilities of the team they should certainly be successful.

TRACK

A newcomer to our spring athletic activities this year is track. It has met the approval of many students and reports have been that our team is made up of a large group of very spirited boys. Under the able leadership of Mr. Elve these boys have had a successful season. We hope that this team will lay a firm foundation for the future of this sport at H.C.H.S.

INTRAMURAL SPORTS

The intramural program at our school is increasing greatly and the past year has been very successful. A well-organized schedule and tournament was played by the boys' basketball teams. This not only gave activity for those who participated but also provided entertainment for many other noon hour students. At the close of the basketball season a volleyball schedule and tournament was prepared which also proved interesting and advantageous to noon hour students.

The girls also participated in noon hour sports on Tuesday and Thursday of each week. This also was a success.

Much credit for the success of our intramural program must go to the able directors, Mr. Tuls and Miss Vander Gugten.

3. "Muscles Scholten."
